Ignation Spirituality tells us that we are not alone; that God is not removed from our world. The task is not so much about getting out of our mess in order to find God, but more, much more, about bringing God into our mess. God meets us in our personal experience, in our relationships, dreams, hopes, pains and worries.

Brian Brogan SJ

Avoid the bad habit of domesticating the prophet of your choice, turning him into a cheerleader for your way of thinking and way of life. Remember that all the great prophets were courageous folks who rallied against the powers- that- be, challenged self-satisfied piosity, threatened the prevailing social order, and would find you falling short in some significant ways.
