I am pretty sure that everyone knows of the Ten Commandments. If you have been to a Christian church more than once, you were probably taught them, especially as a child. Many will use the Ten Commandments as a basis for their life and to determine what is and is not sin.

Lesser known is the Native American Ten Commandments. While little is known about its origin, the Spirit (Great and Holy) is definitely behind their origin and they offer strong words of wisdom:

- The Earth is our Mother, care for Her.
- Honour all your relations.
- Open your heart and soul to the Great Spirit.
- All life is sacred; treat all beings with respect.
- Take from the Earth what is needed and nothing more.
- Do what needs to be done for the good of all.
- Give constant thanks to the Great Spirit for each day.
- Speak the truth but only for the good in others.
- Follow the rhythms of nature.
- Enjoy life's journey, but leave no tracks.
